

VIP Memberships to selected fitness and lifestyle centres

Elite's network with various fitness centres enables us to offer you a service and price that can't be matched by contacting these organisations directly.

Please go to the following websites and then contact elite if you are interested in joining. You will be pleasantly surprised by the deals we can offer you (in some cases saving you more than 20%, free weekly passes & more). Please note - sales must be initiated on your behalf by elite.
